

Prof. Takako Hashimoto, Ph.D

2023-2024 IEEE Region 10 Director-Elect Candidate

IEEE
Region 10

Vice President of Chiba University of Commerce (2018 - Present)

IEEE Japan Council Chair (2021-2022)

IEEE Computer Society Board of Governor (2021-2023)

Position Statement

With approximately 150K members, IEEE R10 continues to grow even under the challenging situation and is the largest, the most diverse, and one of the most important regions in IEEE. If I am elected as the R10 Director, I would like to dedicate my experience and knowledge to the following matters.

- Initiate projects to provide lifelong education through IEEE's Learning Network to students, YPs, WIE, seniors, and LMs in R10 to learn new skills, and build careers.
- Strengthen the relationship with industries, provide more tangible values to industry members.
- Enhance Reaching Locals project and promote innovative projects to develop effective local solutions.
- Promote diverse communication to enhance the presence of R10 members and encourage Diversity & Inclusion in IEEE.
- Respect diversity within R10 and actively represent the voice and concerns of R10 in IEEE Board on various issues, including region realignment.

Biography
